

Glass & Ceramic Printers

Our company provides Technical Innovation in the Decoration of Ceramic Products.

- We offer a comprehensive range of Glassware and Ceramics selected from leading manufactures around the world.
- The range covers all levels of Budget.
- All printed products are fired in our Kilns so as to provide a greater degree of permanency of the image.
- Our association with major International Decorators is such that we are able to pass onto our clients the latest techniques and treatments.

For larger quantities we offer Off-shore Decoration.
